UNDERSERVED AREAS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 36-2172, Arizona Revised Statutes, is amended to
3 read:

4 36-2172. Primary care provider loan repayment program; purpose;
5 eligibility; default; civil penalty; exemption

6 A. The primary care provider loan repayment program is established in
7 the department to pay off portions of education loans taken out by
8 physicians, dentists and mid-level providers.

9 B. The department shall prescribe application and eligibility
10 requirements that are consistent with the requirements of the national health
11 service corps loan repayment program (42 Code of Federal Regulations part
12 62). To be eligible to participate in the primary care provider loan
13 repayment program, an applicant shall meet all of the following requirements:

14 1. Have completed the final year of a course of study or program
15 approved by recognized accrediting agencies for higher education in a health
16 profession licensed pursuant to title 32 or hold an active license in a
17 health profession licensed pursuant to title 32.

18 2. Demonstrate current or prospective employment with a public or
19 nonprofit entity located and providing services in a federally designated
20 health professional shortage area in this state as designated under 42 Code
21 of Federal Regulations section 62.52.

22 3. Contract with the department to serve and be qualified to serve in
23 dentistry, family practice, pediatrics, obstetrics or internal medicine.

24 C. In addition to the requirements of subsection B of this section,
25 an applicant who is a physician shall meet both of the following
26 requirements:

31 care provider loan repayment program shall contract with the department to
32 provide services pursuant to this section for AT LEAST two years.

33 E. In making recommendations for the primary care provider loan
34 repayment program, the department shall give priority to applicants who
35 intend to practice in rural areas most in need of primary care services. In
36 determining the areas most in need of primary care services, the department
37 shall consider areas that are either designated as medically underserved by
38 the department or have been assigned to a high-degree-of-shortage group
39 pursuant to 42 Code of Federal Regulations section 62.52.

40 F. All loan repayment contract obligations are subject to the
41 availability of monies and legislative appropriation. The department may
42 cancel or suspend a loan repayment contract based on unavailability of monies
43 for the program. The department is not liable for any claims, actual damages
44 or consequential damages arising out of a cancellation or suspension of a
45 contract.

1 G. This section does not prevent the department from encumbering an
2 amount that is sufficient to assure payment of each primary care provider
3 loan for a period of up to two years.

4 H. The department shall issue program monies to pay primary care
5 provider loans that are limited to the amount of principal, interest and
6 related expenses of educational loans according to the following schedule:

30 the obligated services is liable for liquidated damages in an amount
31 equivalent to twice the total uncredited amount of the loan repayment
32 contracted for on a prorated monthly basis. The department may waive the
33 liquidated damages provisions of this subsection if it determines that death
34 or permanent physical disability accounted for the failure of the participant
35 to fulfill the contract. The department may prescribe additional conditions
36 for default, cancellation, waiver or suspension that are consistent with the
37 national health service corps loan repayment program (42 Code of Federal
